Subject: Draft ltr of Notice of Intent

Gentlemen,

I called David Hall (CSX) Friday but he is out all week. In my conversations with Bryan Glover (CSX) he indicated to me that staff would not be utilized to estimate cost until the Notice of Intent letter came. I have drafted two letters, the difference being the two scenarios at Altawood. With permanently closing Altawood, FRA website gives an estimation of \$285,000. This is the only estimate I can give you at the moment.

Regards,
